CLASS 1. ROUTINES.

READING COMPREHENSION

This is Mary. She's eleven. She's got long brown hair and brown eyes. Her ears are small and her cheeks are chubby.

She gets up at 7 o'clock in the morning, has a shower, gets dressed and has breakfast. She usually has a toast and coffee. She doesn't like cheese. Then the girl goes to school. She travels by bus. She has lunch at school with her friends. They sometimes have pizza and milkshake. After the lessons they play in the park and they like flying a kite. Mary goes home at 5pm. She has dinner with her mother and father. Her mother likes cooking! Mary goes to bed at 10pm.

The girl lives in the city. There is a swimming pool next to her house but her school is far. There are lots of shops and supermarkets in her street. There is a café behind her house and Mary goes there at the weekend with her family.

There is a market in front of her house. There are a lot of fruit. She likes eating watermelons and mangoes but she doesn't like grapes. She likes vegetables.

Now the girl is in her bedroom. It's big. There are two windows, there is a wardrobe in the room and there is her desk next to the window. There is a chair next to her desk. Now her room is a mess! There are her jeans on the floor and there is one sock on the sofa and one sock on the lamp. Her mother is angry. She says: You can't go to the park, please tidy up your room! Put those jeans in the wardrobe and find the socks!

Mary likes doing athletics and playing table tennis. Going swimming is fun! But she doesn't like playing basketball. She is very short!

In the summer Mary would like to go camping with her grandfather! She wouldn't like to help her grandmother in the garden. It's boring!

POST
Hello again! South Africa is in the southern hemisphere and the seasons are different. When is spring, summer, autumn and winter in South Africa? Which fruit and vegetables grow in each season? Read this cool web page and find out! 😊

What's in season in South Africa?

In South Africa there are some delicious fruit and vegetables in every season.

Predict the answers to Joseph's questions before you read.

Spring

Spring is in September, October and November. There are many colourful wild flowers. This is the time of year when oranges, lemons, raspberries and strawberries are in season. Spring is also the time of year for vegetables such as aubergines, cauliflower and spinach.

Summer

Summer is from December until February. It is very hot and there can be short thunderstorms in the afternoon. In summer, cherries, plums, pineapples and grapes are in season. Summer is also the time of year for vegetables such as lettuce and peas.

Autumn

Autumn is in March, April and May. It's warm and it doesn't rain a lot. In autumn, fruit such as apples and avocados are in season. Autumn is also the time of year for vegetables such as mushrooms and peppers.

Winter

Winter is from June to August. It's cold and you need warm clothes. Fruit such as bananas and pears are in season. Winter is also the time of year for vegetables such as carrots and potatoes. The South African vegetable 'waterblommetjie' or 'little water flowers' are also in season in winter. People eat them with meat and potatoes.

In South Africa there aren't any seasons when you can't enjoy delicious fresh fruit and vegetables!
